Make	Model	Length	Price	Year	Condition
Nordic Tugs	"32" Pilothouse #95	32 ft	\$ 128,000	1997	Used
Boat Name	Hull Material	Draft	Number of Engines	Fuel Type	
TUG-A-LONG	Fiberglass	3 ft 6 in	1	Diesel	

TUG-A-LONG is emblematic of renowned Nordic Tug quality. Cruise slowly at 6 knots and burn 1 gallon per hour; bump her up to 10 knots and burn 3.5 gallons per hour. She will top out at 16kts. Featuring recent electronics and repowered with a 370 Cummins diesel (only 235 hours) providing 'power in a pinch', she is solid, cozy, easy to handle and economical to operate -- perfect for the cruising couple. As noted in the March 2008 issue of Sea Magazine, "There are many who believe the 32-foot Nordic Tugs is the best small trawler-style cruiser on the market and it's hard to argue that the believers are wrong." Go to the Fall boat shows, recover...
